JOHN EDMONDSON HIGH SCHOOL
Assessment Notification

Faculty: Creative and Performing Arts  Course: CERAMICS  Year: 12

Assessment Task: #1

Assessment Weighting: 15%    Due: Term 4  Week 9  Date: 13/12/2019

Task Type: Hand in Task [ ]  In Class Task [X]  Practical Task [X]

Outcomes assessed (NESA)
M1, M2, M3, M4, M5, M6

Task Description/Overview
Students will submit a handbuilt slab ceramic tile based on a design from another culture.

Detailed Assessment Task Description
Students have researched Greek, Islamic, Asian pottery for inspiration. The tile should be constructed using the slab method, effectively using a variety of decorative techniques; incise, coiling, relief and stamping. The tile must display neat joins and be technically sound. Students need to consider the use of colour in particular sensitivity in using underglazes.

Assessment Criteria

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>Mark Range</th>
</tr>
</thead>
</table>
| Outstanding (O) | Highly developed technical accomplishment  
Outstanding ceramic tile that has been constructed using the slab method  
Effectively used a variety of decorative techniques; incise, coiling, relief and stamping  
Neatness of joins and technical build of the tile’s structure  
Consideration of colour and detail in application of glaze is successful | 13-15      |
| High (H)   | Well-developed technical accomplishment  
Accomplished ceramic tile that has been constructed using the slab method  
Combination of decorative techniques including incise, coiling, relief or stamping  
Neatness of joins and structure of the build is good  
Consideration is evident in glazing and colour choice | 10-12      |
| Sound (S)  | Sound technical accomplishment  
Ceramic tile has been constructed using the slab method  
Student has made an attempt to use some decorative techniques  
Attention has been paid to joins and overall construction | 7-9        |
<table>

<tr>
<th>Score</th>
<th>Description</th>
</tr>
</thead>
</table>
| **Basic (B)** | Some technical accomplishment  
Basic attempt has been made to construct a tile using  
the slab method  
Student has decorated the surface of the tile  
Little attention has been made to clean joins and  
ensure construction is sound  
Use of colour and glaze application is basic |
| 4-6 | |
| **Limited (L)** | Limited technical accomplishment  
Incomplete or no attempt has made to construct a tile  
using the slab method  
Little or no technical accomplishment has been made  
in regard to structure, decoration or glazing |
| 1-3 | |

**Satisfactory completion of courses**
A course has been satisfactorily completed, when the student has:
- Followed the course developed/endorsed by the NSW Educational Standards Authority (NESA)
- Applied himself/herself with diligence and sustained effort to the set tasks and experiences provided in the course.
- Achieved some or all of the course outcomes
