I confirm that:

- The proposed driver is licensed for the vehicle they will be driving and, if issued with a provisional licence, complies with relevant peer passenger conditions
- The proposed driver is not disqualified or suspended from driving; and is not subject to any impediments to his/her ability to drive a motor vehicle or other vehicle (as relevant).
- The vehicle in which the student is to be transported is registered and covered by NSW compulsory third party insurance or interstate equivalent
- To the best of my knowledge the vehicle in which the student is to be transported is roadworthy, safe for normal road use and suitable for the work-related purpose to which it will be put
- The number of passengers in the vehicle will not exceed the number of seatbelts
- I am not aware of anything in the background of the proposed driver that would preclude them from working with a student. I have advised that good safety practice is for the student to travel in the back seat of the vehicle where possible.
