equipment that is	ne student is not to undertake . This includes no-go areas, specific machinery and langerous for new or young workers. Please note an extensive risk assessment must orse riding and the use of farm vehicles.
•	e student in planned activities, please be specific. This includes manual handling, exposure fumes, repetitive strain injuries and the use of dangerous tools or equipment.
	risks be eliminated or controlled, eg. induction first day, close supervision, tasks are supervised to completion.

School Host business

List any special conditions such as clothing, footwear, pre-training, vaccinations or transport.

Host employer to read the following declaration and sign the document.

- I have read the Workplace Learning Guide for Employers and am aware of my rights and responsibilities and the need to provide a safe and positive work environment for the student.
- I will provide planned learning and skill development activities appropriate for the student under the supervision of myself or a capable and trustworthy employee (not apprentice/trainee) briefed for the t.ask.
- I confirm that the activities assigned are suitable for the student and that WHS risks have been assessed and managed in accordance with the Work Health and Safety Act 2011 (NSW).
- I will check any health care concerns with the student and ensure they and their supervisor know what to do in the case of an emergency i.e. where the student will keep their medication or adrenaline auto-injector-EpiPen.
- I will consult and cooperate with the school and will notify the school immediately of any health and safety incidents involving a student while on placement, including near misses.
- I will see that the student is first provided with a site-specific workplace induction and then with the appropriate information, instruction, training, supervision (and personal protective equipment where needed) throughout the placement.
- I acknowledge that the student will not be paid during the placement and will notify the school if the student is ill, injured, absent without explanation or behaving inappropriately.
- I will notify the school immediately if I need to change sites or find asbestos on the site.
- I am not aware of anything in the background of any staff member or other person who will have close contact with the student that would preclude that staff member or person from working with children.
- I will provide access to first aid, toilet facilities and drinking water.
- I have informed employees of their responsibilities when working with children and young people.
- I am aware of the specific restrictions and prohibited activities for students and will ensure students are not asked to carry out any of these activities.
- I agree to all the above statements.
- By signing this section you are confirming your workplace is following NSW Health COVID-19 safe guidelines, including a COVID-19 safety plan (or relevant state or territory COVID safety plans).

Privacy notice - for all parties

The information provided by students, parents/carers and host employers is obtained for the purpose of coordinating a workplace learning opportunity for the school student. The NSW Department of Education will use the information to meet student health, duty of care and child protection responsibilities and to support the information needs of the student, host employer and the parent/caregiver. The Work Placement Service Provider might access information related to HSC VET work placements but only with the approval of the principal. Providing this information is voluntary. However, if you do not provide any of the information requested then the student may not be able to undertake the planned workplace learning. The information you provide will be stored securely and kept for a minimum of three years where there is no further action relating to the placement. The information will only be disclosed for purposes directly related to the purpose for which it is collected. You may correct any personal information by contacting the student's school.
