Print your **DRAFTS** of Piece 1 and Piece 2 and submit them to your teacher during class Period 4.

**More information about drafts: If your teacher has edited a draft on Google Drive you can download it by clicking File > Download > Docx. It will generate a file with the annotations by your teacher. Label your drafts clearly with the title "Draft for <insert Portfolio Piece Name>"

If you are having issues submitting the task, Google Drive share it with your teacher's @education.nsw.gov.au Google Account.

If all else fails, PRINT a copy of your Final Portfolio and bring it to class Period 4 on Monday. **If you are unsure if your online submission has worked bring a physical copy of your submission to class.**

This task is to be submitted on CANVAS. It can be found under

If you are submitting hand-written draft copies of work it is your responsibility to provide your teacher with those drafts before the due date and time.

Typed pieces should use size 12 font, Times New Roman or Arial font. Your response to the reflection question **does not** need to fit within the scaffold sheet. It is there **as a guide** on how to answer the questions. Your answers should be in STEEL/SETTEL etc paragraph format.
