## Writing a Bibliography

### What is a bibliography?

- A bibliography is an alphabetical list of the sources – books, magazines, newspapers, CDROMs, Internet, interviews, etc. – that you have used to prepare your assignment or presentation.

### Why do we write bibliographies?

- To acknowledge our sources
- To give our readers information to identify and consult our sources
- To make sure our information is accurate

### What if we don't include a bibliography?

- We may be accused of **plagiarism** (that is, stealing another person's ideas or writing )
- If so, we may lose some or all of the marks for an assignment or a course
