Task Description/Overview

Students will be required to participate and develop their fundamental movement skills and understanding during a variety of Physical Education Lessons. Students will aim to enhance their tactical understanding and performance within game play, as well as improve their decision making, communication and team-work skills in a range of sporting contexts.

The units studied this semester include:

- Indigenous Games and Movement Composition
- Athletics
- Improving Physical Fitness
-

Detailed Assessment Task Description

This is an ongoing assessment that will be completed over Term 1 and Term 2. Students will participate in three (3) units across the semester.

Students will be assessed on the following aspects:

- Level of skill execution and performance
- Understanding of effective strategies and tactics during game play.
- Participation and involvement in class activities
- Level of knowledge on rules and regulations of the activity/game
- Ability to demonstrate their decision making and communication skills within a team.
- Recognise and evaluate individual and team performance during sports.

Students must actively participate in 85% of practical lessons to satisfactorily complete this assessment.

Students must obtain a medical certificate to cover any extended non participation.
