Outcomes assessed (NESA)
VALS1 experiences a variety of artmaking activities using a range of materials, techniques and processes VALS9 makes an individual work or series of works using a range of materials, techniques and processes VALS3 explores the function of and relationship between artists, artworks, the world and audiences
Task Description/Overview
Artmaking Submit **TWO** resolved Still life drawing **artworks** from your collection. H/C Studies Complete the **Pablo Picasso template.**
Detailed Assessment Task Description
Component #1: **25%** *The term "still life" describes a work of art that shows inanimate objects from the natural or man-made world, such as fruit, flowers, dead game, and/or vessels like baskets or bowls. Looked at another way: still life's depict things that are "still" and don't move.* https://www.getty.edu/news/what-is-a-still-life/ Students **choose two resolved still life artworks from their collection** they have produced throughout Term 1 to be marked for assessment - both artworks are worth a **total** of **25%**. In resolving the artworks, consideration should be given to **size, line, shape, colour, tone, texture, direction, repetition, contrast, and balance -** the **structural** qualities of the work. Students submit **two resolved** still life drawings in class. **Component #2:**

Satisfactory completion of courses

A course has been satisfactorily completed, when the student has:

- Followed the course developed/endorsed by the NSW Educational Standards Authority (NESA)
- Applied himself/herself with diligence and sustained effort to the set tasks and experiences provided in the course.
- Achieved some or all of the course outcomes
