

Find and put a circle around the Panda!!!

Skateboard graphics have been a part of skateboarding since the very beginning, but in the 1990s, a no-holds-barred explosion of ideas from brands like Real, Blind, and World Industries defined the culture with unapologetic and controversial designs.

The skateboard deck designer must marry functionality and creativity on their curved and oblong oval-shaped rolling canvas.

JASON LEE – BLIND... MIKE VALLELY – WORLD INDUSTRIES... TONY HAWK – POWELL-PERALTA... STEVE CABALLERO – POWELL-PERALTA

Design your own deck
